To whom it may concern

After the successful completion of the Saipem Dry dock galley renewal Campaign, The Saipem 3000 vessel management team , on behalf of Saipem S.p.A, would like to thank The Business of Catering and particularly its Staff on-board Saipem 3000, for the excellent catering service provide. Despite peculiar problems in temporary galley area arrangement and marquee organization, the Business of Catering Staff, under the exemplary management of his managers Mrs. Lee-Ann Albrecht and Mr. Mark Shaw demonstrated great capability in dealing with any issue with relative ease, maintaining high quality standard. Saipem 3000 vessel management team hopes to meet again The Business of Catering in future.
